Where Holistic Knowledge Blooms

Tentative Program

2nd International Conference on **Dermatology and Cosmetology**

MAY 09-10, 2024 | BANGKOK, THAILAND

+1 (646) 631 6701

dermatology.scientexconference.com/

dermatology@scientexconferences.com

Venue

GRAND MERCURE BANGKOK ATRIUM

Address: 1880 New Petchburi Road, Bangkok Huay Kwang, Bangkok, 10310 - Thailand

Thailand is situated in the heart of Southeast Asia. Bangkok, Thai Krung Thep, city, capital, and chief port of Thailand. It is the only cosmopolitan city in a country of small towns and villages and is Thailand's cultural and commercial center.

Bangkok is one of the world's top tourist destinations. Bangkok was also named "World's Best City" by the magazine's survey. As the main gateway through which visitors arrive in Thailand, Bangkok is visited by the majority of international tourists to the country. Bangkok's multi-faceted sights, attractions, and city life appeal to diverse groups of tourists. Royal palaces, temples, and several museums constitute its major historical and cultural tourist attractions. There are also other interesting places in Bangkok, such as palaces, parks, and various shopping centers. Shopping and dining experiences offer a wide range of choices and prices.

The city is known for its street life and cultural landmarks, as well as its red-light districts. The Grand Palace and Buddhist temples, including Wat Arun and Wat Pho, stand in contrast with other tourist attractions such as the nightlife scenes of Khaosan Road and Patpong. There are so many tourist attractions in Bangkok that attract tons of people worldwide, and there are numerous destinations around the region. The metropolis provides tourists with essential elements (especially 24-hour street food everywhere), diverse lifestyles, and unique experiences, making it one of the best destinations in Southeast Asia.

Past Event Report

About Past Event:

Scientex Conference successfully hosted its first series on the “**International Conference on Dermatology and Cosmetology**” at City Seasons Dubai Hotel, 2 27th St - Port Saeed, Dubai, United Arab Emirates during May 18-19, 2023. The conference was organized with a theme focused on “Investigate skin care issues and new technologies for better treatment” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Dermatology and Cosmetology 2023. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

Dermatology 2023 Organizing Committee would like to thank the keynote speakers, plenary speakers, delegates and young researchers for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Ashtar Abu Kariem, Saudi German Hospital, UAE who contributed a lot for the smooth functioning of this event.

With the grand success of Dermatology and Cosmetology 2023, we are glad to announce our next upcoming conference “2nd International Conference on Dermatology and Cosmetology”, which is going to be held in Bangkok, Thailand during May 09-10, 2024.

PAST CONFERENCE GALLERY

Event at a Glance

2nd International Conference on Dermatology and Cosmetology
MAY 09-10, 2024 | BANGKOK, THAILAND

Title: Substances for skin regeneration during antler renewal stimulated scar less healing of rat wounds

Chunyi Li, Changchun Sci-Tech University, China

Title: Recent Advances in fractional laser resurfacing: New paradigm in optimal parameters and post-treatment wound care

Gerald Bock, University of Rochester School, USA

Title: Trichoscopic evaluation in various types of alopecia

Nitika Deshmukh Wag, Deenanath Mangeshkar Hospital and Research Centre, India

Title: A unique drug rash: Bleomycin-induced flagellate erythema in a patient with hodgkin lymphoma

See Ling Tan, University Kebangsaan Malaysia, Malaysia

Title: Systemic steroids and risk of fecal-oral shedding and increased transmission of SARS-CoV-2 in pemphigus cases

Mehak Singh, JK Medical College & LN Hospital, India

Title: SWI/SNF complex, promising target in melanoma therapy

Mahsa Mollapour Sisakht, Tehran University of Medical Sciences, Iran

Title: Periorbital squamous cell carcinoma: Back to the past approach with good local results

Bruno Moura Fernandes, Coimbra University Hospital, Portugal

Title: Lichen planopilaris: Histopathological survey of 70 vertical sections of scalp biopsies

Anahita Borzouei, Razi Hospital, Iran

Title: Efficacy of NB-UVB and azathioprine combination in the therapy of nonsegmental vitiligo

Konstantin Lomonosov, Sechenov University, Russian Federation

Title: Outcomes of stevens-johnson syndrome and toxic epidermal necrolysis in HIV-infected patients when using systemic steroids and/or intravenous immunoglobulins in pietermaritzburg, South Africa

Antoinette V Chateau, University of Kwa-Zulu Natal, South Africa

Event at a Glance

Title: Efficacy and safety of extracellular matrix on wound healing after picosecond laser therapy

Xuming Mao, University of Pennsylvania, United States

Title: Dermatitis neglecta presenting as smegmolith in healthy adult male

Nibedita Dixit, IMS and SUM Hospital, India

Title: The role of regenerative medicine in androgenetic alopecia treatment: an uncontrolled clinical trial

Antonio Luca Amore, Studio Gennai Chirurgia Plastica Bologna, Italy

Title: Iododerma after lugol use for pre-operative preparation of thyroidectomy

David Almeida, State University of Rio de Janeiro, Brazil

Title: Vertical space lift: Transcutaneous lower blepharoplasty, subperiosteal midface lift, and lower face lift: A novel technique of buccal fat suspension to medial infraorbital rim

Hadi Nural, Mediface Clinic, Turkey

Title: Successful removal of anthralin staining from facial skin

Jacqueline Kussini, Laserklinik Biberach, Germany

Title: Treatment of partial-thickness burn wounds with combined advanced therapies: Cultured allogenic keratinocyte and epidermal growth factor

Jaeyoung Cho, Kyung Hee University Hospital, Korea

Title: Demodex: The worst enemies are the ones that used to be friends

Anon Paichitrojjana, Mae Fah Luang University, Thailand

Title: Psoriasis and COVID-19 era: Was a challenge effectively addressed?

Karampinis Emmanouil, University of Thessaly, Greece

Title: Alopecic and aseptic nodule of the scalp & cutis verticis gyrata: when rarities meet

Behnaz Hamedani, Kerman University of Medical Sciences, Iran

Title: Clinical characteristics of anogenital warts among patients attending Genitourinary Medicine Clinic Hospital Kuala Lumpur between 2015 and 2020

Khai Shin Tan, Ko Skin Specialist Centre, Malaysia

Event at a Glance

Title: Effect of chloroquine on HPV infection

Xiangling Li, Guangxi University of Chinese Medicine, China

Title: To compare the effect of sea buckthorn and silver sulfadiazine dressing on the period of wound healing in patients with second-degree burns: A randomized triple-blind clinical trial

Mehrdad Abdullahzadeh, Tarbiat Modares University, Iran

Title: Periorbita hyperpigmentation (POH) new cosmetic concern

Ahmed Abdulhussein Kawen, University of Thi-Qar, Iraq

Title: Adipose-tissue derived mesenchymal stromal cells and platelet rich plasma for the treatment of lichen sclerosus

Alessia Paganelli, University of Modena and Reggio Emilia, Italy

Title: Evaluation of the role of ACT1 gene polymorphism in seborrheic dermatitis: A case-control study

Ahmed Fayad, Menoufia University, Egypt

Title: Anatomic and surgical basis of the axillary perforator flap

Liliana scarpinelli, Spanish Hospital of La Plata, Argentina

Title: Angiokeratoma circumscriptum naeviforme on trunk: A dermatoscopic evaluation

Geetika Chhabra, Vardhman Mahavir Medical College and Safdarjung Hospital, India

Title: Evaluation of intraoperative triamcinolone injection or primary lobe tacking (pexing) sutures for preventing pincushioning in bilobed transposition flaps

Neil J. Mortimer, The Skin Centre, New Zealand

Title: Geosocial dating applications mirror the increase in sexually transmitted diseases

Tobias Steen Sejersen, Zealand University Hospital, Denmark

Title: Rotation flap closure of pressure injuries following negative pressure wound therapy with instillation for wound cleansing

Michael N. Desvigne, Abrazo Arrowhead Campus, United States

Event at a Glance

Title: Innovative treatment utilizing an autologous blood clot for diabetic foot ulcers

Robert J Snyder, Barry University School of Podiatric Medicine, United States

Title: Total buttock remodeling in patients with massive injection of unknown substances

Jorge Gabriel Noe, Cervino Medical Center, Argentina

Title: A study of severe cutaneous adverse drug reactions in Iranian patients

Anahita rostami, Razi Hospital, Iran

Title: Anatomical keypoints to deepplane facelift

Darinka Hanga, Cantonal Hospital Lienz, Germany

Title: Skin diseases in elderly

Al Zahraa A. Hasanin, Al Salam Hospital, Egypt

Title: Copy number variation of the NCF1 gene in patients of acne vulgaris

Lamiaa Shehata, Nasser General Hospital, Egypt

Title: How robust moth-eaten alopecia indicating syphilis origin!

Tim Aung, Star Medical Centre Woodridge, Australia

Title: Hydroxychloroquine sulphate therapy of erosive oral lichen planus

Ziad Khamaysi, Rambam Medical Center, Israel

Title: Immediate and long term clinical benefits of a novel topical micronized collagen face cream

Rachel Lubart, Bar Ilan University, Israel

Title: Exploring gender disparities in burn injuries: A retrospective study at a burns centre in Karachi, Pakistan

Samia Tasleem, Dow University of Health Sciences, Pakistan

Title: Profiling serum cytokines and anticytokine antibodies in psoriasis patients

Liangchun Wang, Sun Yat-sen University, China

Event at a Glance

Title: Anthropometric measurements and analysis for objective assessment of gynecomastia surgery results

Karthik Ramasamy, Private Practice, India

Title: Scrofuloderma

Anupam Das, KPC Medical College and Hospital, India

Title: Maggot debridement therapy and complementary wound care: A case series from Nigeria

Mustapha Ahmed Yusuf, Aminu Kano Teaching Hospital, Nigeria

Title: Negative pressure wound therapy as a bridge for the final reconstruction of tissue defect following a degloving injury of the forearm

Izabela Ratnicka, Medical University of Gdansk, Poland

Title: Clinical and anamnestic criteria for early diagnosis of herpetic eczema in children with atopic dermatitis

A. S. Stadnikova, Bashlyaeva Children's City Clinical Hospital, Russia

Title: Post-operative erythromelalgia treated with calcium channel blockers

Pakinam Nabil Ibrahim, Cairo University, Egypt

Title: Penis enlargement and thickening surgery. NEF technique: Results in 750 patients

Cesar Manuel Noval Font, University of Valencia, Spain

Title: Outcome of reconstructive surgery of the auricular defects among Sudanese population (January 2021 to January 2022)

Momen Mahmoud Ibrahim Mohamed, Sudan Medical Specialization Board, Sudan

Title: Secondary dermatoses over scars and striae - A phenomenon replete with miscellaneous terms indicating dysregulated immunity

Shivani Moudgil, SGL Charitable Hospital, India

Title: The effect of heparin injection into cut ends of flexor tendon zone II injuries

Ahmed Mahmoud Abd Elkader Gadallah, Ain Shams University, Egypt

Title: What 1st 2500 urticaria cases taught us?

Ahmed A Fayad, Menoufia University, Egypt

Event at a Glance

Title: Punctal stenosis a rare complication of dupilumab therapy for atopic dermatitis

Fatma Qaderi, Dubai Academic Health Corporation, United Arab Emirates

Title: Unmasking' the challenge of orofacial excercises

Gail Maggioli, Chris Hani Baragwanath Academic Hospital, Republic of South Africa

Title: Consequences for the functionality of human fibroblasts caused by COVID infection and their positive response to the treatment by natural compounds with anti-aging activity

Andrey Koptug, Mid Sweden University, Sweden

Title: Psoriasis and sexual dysfunction in females

Sarah Abd Elazeem, United Arab Emirates

Title: The effect and implication of social media platforms on plastic cosmetic surgery: A cross-sectional study in Saudi Arabia from 2021 to 2022

Ahmed Al Bahlal, Prince Sultan Military Medical City, Saudi Arabia

Title: Efficacy and safety of stem cell-assisted fat transfer in facial rejuvenation

Alicia María Tamayo Carbon, Hospital Hermanos Ameijeiras, Cuba

Title: Clinical approach to linear hyperpigmentation

Mohammad Alkhowailed, Qassim University, Saudi Arabia

Title: Role of the interferon-induced helicase 1 gene polymorphism in vitiligo: A case-control pilot study

Eman M.M. Fallila, Menoufia General Hospital, Egypt

Title: The role of peri-implant strains in dental implant systems

Saul Weiner, Stevens Institute of Technology, USA

Title: Are oral mucosal changes a sign of COVID-19? A cross-sectional study at a field hospital

Almudena Nuno-Gonzalez, Hospital Universitario La Paz, Spain

Title: Pinch purpura in adult colloid milium—A case report

Krishnaram A S, Velammal Medical College Hospital and Research Institute, India

Event at a Glance

Title: Dermoscopic clues in diagnosis of zosteriform palisaded encapsulated neuroma

Nahida Nabi, SKIMS Medical College & Hospital, India

Title: Assessment of serum apelin levels and its relation to insulin resistance in acne vulgaris patients

Rana safwat moustafa Abdel-hamid, Egypt

Title: Kinesio taping to address post-sternotomy scars in pediatric patients

Elizabeth G Harvey, University of Indianapolis, USA

Title: Long-term follow-up comparison of two different bi-layer dermal substitutes in tissue regeneration: Clinical outcomes and histological findings

Uberto M. Giovannini, Rigenera Clinic, Italy

Title: Folliculitis decalvans in father and son - Genes, environment or both?

Senkadhir Vendhan, BAMH Central Railways Hospital, India

Title: Flame hair: Auxiliary trichoscopic finding in radiotherapy-induced alopecia

Ana Beatriz Silva Lima, University of Sao Paulo, Brazil

Title: Sclerosing treatment in keloid of the auricular pavilion: alternative treatment and casuistry presentation

Jose Lizardo Ramon Vera, Universidad Surcolombiana, Colombia

Title: Antioxidants effectivity in skin lotion formulation of mesocarp fruit extract lontar (Borassus Flabellifer) against white rats wistar male in-situ

Luthfiasari Amatullah, Akademi Farmasi Nasional Surakarta, Indonesia

Title: The combination RF-microneedling and HIFU with using minimal therapeutic energies for skin tightening

Olga Malakhova, Innovation Clinic, Russia

Title: Inmode boost – A synergistic effective for anti-aging facial rejuvenation treatment powered multiple technologies on a single platform

Judith Hellman, Private Practice, USA

Title: A comparative study to assess efficacy of intralesional MMR (measles, mumps, rubella) vaccine and intralesional Vitamin D3 in treatment of warts

Bibisha Baaniya, Koshi Zonal Hospital, Nepal

Event at a Glance

Title: Primary localized cutaneous amyloidosis – A review

Vijay K. Somani, Somani Skin Care Centre, India

Title: Potentials of MSCs based serum in the treatment of skin psoriasis

Anand Srivastava, Global Institute of Stem Cell Therapy and Research, USA

Title: A 27-year-old man with multiple, skin-colored nodules in a segmental distribution on the right side of the face

Vandana Yadav, Hind institute of medical sciences, India

Title: Serum level of endothelial markers in patients with psoriasis vulgaris with or without arteriogenic erectile dysfunction

Ahmed Elshahid, Alazhar University, Egypt

Title: Efficacy of ablative fractional carbon dioxide laser alone and combined with platelet-rich plasma in the treatment of androgenetic alopecia

Amira Nagy Mohamed Galal, Ain Shams University, Egypt

Title: Feet also need cosmetic/ plastic surgery for good looks (a new perspective) world's first, graded, mega skin expansion by fusion 4-in-1, correcting, all-inclusive, extreme clubfoot deformities- A game changer

Rattan L. Mittal, Govt. Medical College Patiala, India

Title: Is it safe to compress venous leg ulcers without an ankle brachial pressure index?

Mary-Paula Colgan, St. James's Hospital, Ireland

Title: Atypical variants of mycosis fungoides

Dursun Dorukhan Altınışık, Istanbul University Cerrahpasa Faculty of Medicine, Istanbul

Title: Study intelligence quotient among sample of children suffering from cleft lip and palate & hypospadias attending pediatric surgery clinic in al-hussien hospital

Mostafa Ahmed Mohamed Shehata, Al-Azhar University, Egypt

Title: Safety of isotretinoin treatment in peanut and soy allergy

Marcello Albanesi, Marcello Albanesi Allergy and Immunology Unit, Italy

Title: Comparison of PCR methods for onchocerca volvulus detection in skin snip biopsies from the Tshopo Province, Democratic Republic of the Congo

Jacques Muzinga, Field Epidemiology and Laboratory Training Program, Congo

Event at a Glance

Title: Fingertip injury epidemiology: An Indian perspective

Srikant Aruna Samantaray, Baby Memorial Hospital, India

Title: Dermatology life quality index in Thai dialysis patients with cutaneous manifestations: A cross-sectional study and review

Metavee Boonsiri, Vajira Hospital, Thailand

Title: Abnormal foot angles has an association with ingrown toenail

Fatma Gulru Erdogan, Ufuk University, Turkey

Title: Unstable solar lentigo mimicking lentigo maligna melanoma: A case report

Arun Achar, NRS Medical College, India

Title: Assessment of the serum paraoxonase1 level and its relation to total oxidant status and disease activity in vitiligo patients

Hayam Mahmoud Thakeb Yassein, Ain Shams University, Egypt

Title: Capitalizing on the untapped millennial market in aesthetic medicine: The C.O.R.E. 4 strategies to implement today

Audrey M. Neff, Director of Marketing at PatientNow, USA

Title: Adipose-tissue derived mesenchymal stromal cells and platelet rich plasma for the treatment of lichen sclerosus

Alessia Paganelli, Arcispedale Santa Maria Nuova, Italy

Title: Discrepancies in the guidelines of the management of STIs and the clinician's dilemmas

Murugan Sankaranantham, Sree Mookambika Institute of Medical Sciences, India

Title: What's new in acne vulgaris

Mariam Termos, Auro Clinics, Lebanon
