Past Event Report

About Past Event:

Scientex Conference successfully hosted its first series on the “**International Conference on Dermatology and Cosmetology**” at City Seasons Dubai Hotel, 2 27th St - Port Saeed, Dubai, United Arab Emirates during May 18-19, 2023 and “**International Webinar on Dermatology and Cosmetology**” during May 25-26, 2023 in GMT+4 timing. The conference was organized with a theme focused on “Investigate skin care issues and new technologies for better treatment” and it was a great success where eminent keynote speakers from various universities addressed the gathering.

The generous response and active participation of the Organizing Committee Members played a major role in the success of Dermatology and Cosmetology 2023. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

Dermatology 2023 Organizing Committee would like to thank the keynote speakers, plenary speakers, delegates and young researchers for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Ashtar Abu Kariem, Saudi German Hospital, UAE who contributed a lot for the smooth functioning of this event.

With the grand success of Dermatology and Cosmetology 2023, we are glad to announce our next upcoming conference “2nd International Conference on Dermatology and Cosmetology”, which is going to be held in Bangkok, Thailand during May 09-10, 2024.
